Category: Sports and Fitness

I recently tried out the Ryse-up Fitness app after a colleague recommended it. He grew tired of paying for an expensive gym membership and was looking for other options. The app provides a variety of workouts with different instructors. I like the convenience of taking fitness classes without any additional equipment, which is especially useful for people with limited space in their home, like me.

However, I found it disappointing that none of the classes can be taken live—they are only prerecorded sessions. While exercising on your own schedule is convenient, not having an instructor to help me with my specific fitness needs in real time is a major drawback. Though I was happy to receive a 40 percent discount on the app and certainly achieved positive results in the six months I used it, I could just as easily have used any recorded exercise routine on a video streaming service free of charge. For that reason, I rate the Ryse-up Fitness app 3 out of 5 stars.

Subject:	Refrigerator

Hello, Karisa,

The refrigerator in the staff lunchroom stopped working this afternoon, and we need to get a replacement as soon as possible. Unfortunately, it is no longer covered by a warranty and would cost too much to repair. Can I ask you to order a new one? I recommend that we order through Prieto Depot and have it delivered tomorrow if possible. We will probably have limited options since we need a refrigerator that can fit in that tiny corner between the cabinets. Last time we ordered from Prieto Depot, there were only a couple of refrigerators narrow enough. Plus, we need one with shelves that are easy to remove this time. I do not like the fixed shelves in our current one. I want to be able to pull them out and wash them.

In the meantime, I will notify staff that everything will be cleared out of the refrigerator at the end of the day and that they should take their food home.

Thank you,

Claudio

Dear Mr. Silva,

I am interested in two apartments that I saw listed on Portland's apartment rentals Web site. One is a 58-square-meter one-bedroom apartment on the first floor and the other is an 84-square-meter two-bedroom apartment on the fourth floor.

I am relocating from New York City to Portland in January to take a job at Casa Merey. Would it be possible to send a friend of mine, Mario Smith, to tour the apartments on my behalf? I am also curious to know about parking availability at The Washington.

Sincerely,

Giovanna Messina
